

emergency situations. The recipients of the Citizen Community Involvement Awards are citizens who put the safety and well being of their neighbors ahead of other concerns in a time of need.

Jeffery J. Anger is one of those extraordinary citizens. On June 12, 1998, Jeff was working as an assistant manager at the Perkins Family Restaurant in Eau Claire, WI. At approximately 9:20 p.m., there was a car accident in front of the restaurant. One car was struck from the rear and pushed 200 yards through an intersection. A woman involved in the accident ran into the restaurant seeking help for the woman in the other car. Jeffery called 911 and grabbed several towels and rushed outside to the scene. He found the woman in the front of the car with a severe head wound. He wrapped the towels around her head to control the bleeding until the Eau Claire fire/rescue team arrived. He was able to provide her with comfort and reassurance while they waited for an ambulance.

On behalf of all the citizens of western Wisconsin, I ask that the U.S. House of Representatives recognize Jeffery J. Anger for his courage and thank him for being a concerned and giving community citizen.

FOR THE CHILDREN

**HON. JUANITA MILLENDER-McDONALD**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Ms. MILLENDER-McDONALD. Mr. Speaker, it is our responsibility as leaders and parents to act in the best interests of our children. It is our responsibility to provide our children with opportunities so that they can maximize their potential and make positive contributions to society. All children should have this opportunity. When individuals are not afforded a chance, this can limit their future. Consequently, due to this shared responsibility, I felt that it was necessary to introduce the American Asian Justice Act of 1999.

This bill will amend the Immigration and Nationality Act to facilitate the immigration to the United States of children born in the Philippines and Japan who were fathered by United States servicemen. While the children fathered by American citizens in Vietnam, Laos, Thailand, Kampuchea and Korea are allowed to immigrate to the United States, Philippine Amerasian children are denied this right because they were excluded from the 1982 U.S. Amerasian Law.

For several years, the Philippines and Japan served as a central location for military operations in the Far East. As a result, interracial relationships and marriages produced approximately 50,000 children of mixed ancestry. The majority of these children are now suffering and estranged in the Philippines today. Many children are stigmatized because they are considered illegitimate or have mixed ethnic ancestry and have been denied access to viable employment and education opportunities, causing these children to live in conditions of severe poverty. In addition, in June 1991, Mt. Pinatubo, which is located within miles of these U.S. bases, erupted and

caused severe damage, leaving thousands of children of mixed ancestry abandoned, helpless, and without means of support.

Therefore, the time has come to expand the U.S. Amerasian Law to include the children of the Philippines and Japan, and facilitate their passage to the United States under the sponsorship of their U.S. relatives. It is time to help these children immigrate to the United States so they can grow up with the love and support of their own families. It is our responsibility to help these children. In helping these children we are helping ourselves.

CONGRATULATIONS TO GENERAL  
VASCO JOAQUIN ROCHA VIEIRA

**HON. RICHARD W. POMBO**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. POMBO. Mr. Speaker, I rise today to extend my congratulations to General Vasco Joaquin Rocha Vieira the Governor of Macao on the Third Meeting, or the "Terceiro Encontro" of the Macanese people. The "Terceiro Encontro" symbolizes the importance of cultural diversity, social cohesion, and international ties in the historic development of Macao.

As the co-chair of the House Portuguese-American Caucus, and the only member of the House of Representatives of Portuguese ancestry I am very proud of the former Portuguese territory and its people.

The Macanese people reflect a unique and positive blending of the European and Asian Cultures. They also have made very significant contributions to the social, political, and economic welfare in the communities in which they reside.

The territory of Macao is situated on the meridional skirt of the China Coast and is scheduled to be turned over to the People's Republic of China on December 20, 1999. Throughout its more than 400 years of history, Macao has proudly been the stronghold of the Portuguese presence and culture in the Far East. The Portuguese flag was always flown in Macao, even during the Spanish occupation of Portugal. This proud history and strong roots makes the "Terceiro Encontro" a truly special event.

Mr. Speaker please join me in once again congratulate General Vieira on this important event.

REPORT FROM INDIANA—  
BLOOMINGTON

**HON. DAVID M. McINTOSH**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. McINTOSH. Mr. Speaker, I rise today to give my "Report from Indiana" where I honor distinguished fellow Hoosiers who are actively engaged in their communities helping others. Today, I want to mention a special group of people from Bloomington, Indiana who I had the privilege of meeting recently.

Mr. Speaker, it has always been my strong belief that individuals and communities can do a better job of caring for those who need help in our society than the federal government. The wonderfully kind and committed Hoosier who I have met traveling around Indiana has not changed my view.

Ruthie and I have met hundreds of individuals who are committed to making our communities a better place in which to live and raise our children—we can them "Hoosier Heroes."

I met these genuine Hoosier Heroes in Bloomington, Indiana recently. They are the Bloomington Rotary Club. They are men and women who, with no desire for recognition, re-energize their communities, and help those in need.

They have made Bloomington a better community through their voluntary efforts and have even made the world a better place through their drive to eradicate polio throughout the world. This chapter raised over a hundred thousand dollars and we are seeing the fruits of their labor. Since 1988 polio cases have been reduced by 90% world wide.

The Bloomington Rotary Club work has given so many people the most precious gift possible, hope. They don't do it for the pay, which is zilch; they do it for the smiles and laughter. They are true heroes in my book, doing good works for others with no other motive than Christian charity.

The Bloomington Rotary Club deserves the gratitude of their country, state, and nation and I thank them here today on the floor of the House of Representatives.

HONORING GENE KRIGSVOLD

**HON. RON KIND**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. KIND. Mr. Speaker, I rise today to pay tribute to four local heroes from western Wisconsin. I want to honor Gene Krigsvold who took courageous action to aid another citizen.

For the past three years the Eau Claire Fire Fighters Local Union 487, in conjunction with the Eau Claire Fire Department, have recognized area residents who acted bravely in emergency situations. The recipients of the Citizen Community Involvement Awards are citizens who put the safety and well being of their neighbors ahead of other concerns in a time of need.

Gene Krigsvold is one of those extraordinary citizens. On June 13, 1998 The Navy Blue Angels sponsored The Upward 98 Air Show at the Chippewa Valley Regional Airport in Eau Claire, Wisconsin. Thousands of people throughout Wisconsin came to participate in the festivities. Spectators were everywhere, watching the show from the streets, the air and the Chippewa River. Late in the afternoon a swimmer in the Chippewa River was struck by a boat. Gene Krigsvold, who had been boating on the river was there to assist the Eau Claire Fire and Rescue teams during the search for the missing swimmer. Without hesitation he offered his pontoon boat, which provided them with a diving platform. He was also
